

Wednesday's maths sheet. Exciting news- as people seem to like their Non-Verbal book so much, I have made a new document, and named it "Non-Verbal Book 4"! Small steps. In other news, today's maths sheet features multiplication of lovely decimals. Sarah has made a video telling you how to do it, which you can get to by looking on her YouTube channel (there might also be a link on the front page of the website). Love from Rachel :)
